

[Tabled Paper]

The following are Department of Education supported programs, which are successfully working in schools:

Primary	Secondary
KidsMatter (framework) KidsMatter Early Childhood (framework) Promoting Alternative Thinking Strategies (PATHS) PATHS Early Childhood Aussie Optimism Collaborative for Academic, Social and Emotional Learning (framework)	MindMatters (framework) Friendly Schools Plus Resourceful Adolescent Program Aussie Optimism Collaborative for Academic, Social and Emotional Learning (framework)

Frameworks provide schools with processes for identifying their strengths and needs, and for planning, monitoring and evaluating strategies to address these needs.

Programs are curriculum interventions that are delivered in classrooms by teachers.
