QUESTION WITHOUT NOTICE (Of which some notice has been given)

Tuesday, 21 April 2015

Hon Amber-Jade Sanderson to the Parliamentary Secretary representing the Minister for Health

I refer to sub-clause 35.1(k) of the Midland Health Campus Services Agreement, which allows the State to disclose commercial in confidence information "*to the extent required in order to demonstrate the overall financial benefit of, or value for money in relation to, the Project...*" Parts (i) to (v) of this sub-clause provide five discreet pieces of information which are specifically included, and so I ask:

1. What is "*the range in aggregate of Ceiling Discounts and Floor Discounts*" referred to in part (i)?
2. What is "*the aggregate average expected dollar and percentage difference between the amount paid by the State to the Operator for the Services and the State's cost of providing the equivalent services at Benchmark Hospitals*" referred to in part (ii)?
3. What is "*the expected annual total amount paid by the State to the Operator for performance of the Services*" referred to in part (iii)?

I thank the honourable member for some notice of this question. The following information has been provided to me by the Minister for Health.

(1) St John of God Midland Public Hospital is offering discounts on the State's cost of delivering the services of between 3.3% and 15%. The discount varies between service categories.

(2-3) Pricing calculations for the period 24 November 2015 to 30 June 2016 in accordance with contract specifications are being finalised and as such this information is not currently available.
