Notes

- The conversion of FTE to hours will mean that there may be variations due to rounding.
- 1 FTE is equivalent to 40 hours per week for cleaners and gardeners.
- Some schools have no allocation of cleaner and/or gardener hours as they share a site. This occurs frequently with education support centres sharing sites with a primary or secondary school. Schools with no allocations are not listed.
- Allocations vary from year to year as a result of a number of reasons, including but not limited to the alteration of area to be cleaned or gardened as a result of:
- a new school opening;
- the construction of new buildings such as classrooms, libraries, undercover assembly areas etc;
- removal of buildings;
- installation of reticulation;
- installation of native gardens;
- changes in school enrolments and therefore buildings (e.g. demountable classrooms);
- school closures or amalgamation; and
- shared-site arrangements, for example inclusion of behaviour centres or schools of the air on school sites.
- There are a small number of schools who have had a reduction to gardener allocation (due to a reason above), where the Department has maintained the original allocation (partially funding supernumerary) until the gardener resigned or retired.
