QUESTION WITHOUT NOTICE (Of which some notice has been given)

Thursday, 21 May 2015

Hon Sue Ellery to the Minister for Education.

I refer to current expenditure on small maintenance projects in public schools to the value of \$50 000 and I ask:

- 1. What is the process by which schools can apply for this money?
- 2. How many schools have been offered money under this scheme and which schools are they?
- 3. How were those schools chosen?
- 4. What is the total amount of money available to be spent on small maintenance school projects before 30 June 2015?

I thank the Hon. Member for some notice of this question.

There is no specific limit (\$50,000) as referred to in the question.

- 1. Schools do not apply for funds. Schools have been identified by the Department of Education through a range of sources including the Building Condition Assessment, Faults and Breakdown maintenance records.
- 2. 277. As needs are identified (for example, through ceiling inspections) additional schools may be added. I have the list of schools in tabular form and I seek leave to table the response.
- 3. Refer to question one.
- 4. A total of \$110 million is anticipated to be spent on maintenance work in schools in 2014-15.

Minister for Education
