**Note:**

The response to Question 2 is based on the percentage of voluntary collections collected overall, as information is not collected on the percentage of students who paid in full.

The response to Question 3 is based on the voluntary contribution amount requested and the percentage collected. As the contribution is voluntary the school has no entitlement to receive an amount.

Information for 2015 is not available. Fees for 2015 are not finalised until the end of the year as parents may take all year to pay. With student movements, instalments and payments made towards the end of the school year, the amounts are finalised as part of the December end-of-year close for schools. This also ensures that the collection rates, which are gathered once a year, align with a full school year. The Survey used by the Department of Education to gather information on amounts sought, collection rates and methods of payment is not closed until Feb of the next year. The \$ amount listed is sourced from schools' data, when a student moves schools they will pro-rata across the year, which may result in cents (not rounded). Also, parents may pay whatever they have on hand, which could be cents. Data collections for 2015 will not be completed until mid-2016.

Voluntary contributions are not requested at the following schools as they do not enrol students:

- Bridgetown Camp School;
- Pemberton Camp School; and
- Bunbury Behaviour Centre.

Voluntary contributions do not apply for Manea Senior College as its enrolments are Years 11 and 12 only.

The collection rate, total collections and estimates of total requested are combined for schools with both primary and secondary students.
