**Question without Notice
(Of which some notice is given)**

Hon Sue Ellery to the Minister for Education:

I refer to the 159 Independent Public Schools who are currently managing their own faults and urgent repairs under the Faults Management program and I ask:

1. What is the school baseline amount for each of these schools?
2. Have any of those baselines been adjusted or withdrawn in 2015 to date and if so which ones?

I thank the Hon. Member for some notice of this question.

1. – 2. I have the information in tabular form and I table the response.

Minister for Education

The Department of Education has funded 159 schools that elected to manage their faults in 2015 through the faults management program. 93 of these were independent public schools and 66 were other public schools. The baseline amount and adjustment for each of these schools is listed below. Adjustments were provided to schools after a reconciliation of the 2014 year's expenditure for fault repairs between data provided by Building Management and Works and the school's annual expenditure record. Geraldton Senior College received an adjustment after a request to establish a faults/breakdown budget for the John Frewer House site, which the College is managing. There have been no withdrawals as at 12 August 2015.
