QUESTION WITHOUT NOTICE
(Of which some notice has been given)

Tuesday, 8 September 2015

Hon Samantha Rowe to the Parliamentary Secretary representing the Minister for Transport.

I refer to the Minister for Transport's media comments on 30 and 31 August saying that 42 per cent of the vehicles on the road are 'commercial vehicles', and I ask:

1. What is the total number of licenced vehicles and total number of licenced commercial vehicles?

2. Will the Minister provide a breakdown of the types of vehicles that come under his category of 'commercial vehicles', with a total figure for each type of vehicle?

I thank the Hon. Member for some notice of this question.

1. Total number of licensed vehicles as of 31 August 2015 is 2,699,118. Total number of licensed vehicles for business use is 1,063,209.

2. I table the attached information.
