

## **Section 82 Notice — Financial Management Act 2006**

Notice is given that in answer to Parliamentary Question 4701, question (2), asked by the Member for Cannington on 10 November 2015, I have decided that it is reasonable and appropriate not to provide Parliament with information on.

I made this decision on the grounds that section 114 of the *Taxation Administration Act 2003* imposes a duty of confidentiality on the Commissioner that prevents the disclosure of information obtained under a taxation Act.

A handwritten signature in blue ink, appearing to read 'Bill Marmion', with a stylized flourish at the end.
