## RETURNS - MEMBERS OF PARLIAMENT (FINANCIAL INTERESTS) ACT 1992

On becoming a Minister in December 2013 I accepted the offer of complimentary membership to the Qantas Chairman's Lounge which in hindsight, I should have declared on the annual returns that I lodged in September 2014 and this year.

I am unable to attribute a value to the membership as it by invitation only and cannot be purchased however it is a gift that I will declare on my future annual returns.

Would you please arrange for a copy of this letter to be kept with my returns for this year and 2014 for future reference.

A handwritten signature in black ink, appearing to read "Mia Davies".

The details for your travel and accommodation are as follows:

<b>Flight details:</b>	Return economy airfare from Perth to Wellington, New Zealand		
<b>Accommodation details:</b>

Dear Kirsten,

Will you please update your records or adjust my *Declaration of Member's Financial Interests Annual Return 2015* to include under section 2. (c) other income as follows:

Distribution from the Wahoo Trust of \$1,376.

Due to the death of my late husband Hal in October 2014 and issues related to management of his Estate, the finalisation of our 2015 taxation returns was delayed until recently. As such, the distribution was made after the required disclosure dates.

Please advise if you require anything further.

Best regards,
