

**Section 82 Notice – Financial Management Act 2006**

Pursuant to section 82(1)(a) of the *Financial Management Act 2006*, I give notice to both houses that I am unable to provide an answer to Legislative Council Question on Notice 35 section (3).

Notice is also being provided to the Auditor General, as required by section 82(1)(b) of the *Financial Management Act 2006*.

The question refers to tabling of the business cases prepared for each Water for Food project.

I am unable to provide the business cases requested as the current Government does not have access to the Business Cases. They are Cabinet-in-Confidence documents of the previous Government. They formed part of submissions to Cabinet and therefore are Cabinet in Confidence.
