All applications lodged with the Board are kept secure with limited access. This is done primarily to ensure the privacy of individuals and to restrict access from persons not directly involved in the administration of the Board.

Legislative change

During the previous three reporting periods draft amendments to the *Gender Reassignment Act 2000* were before Parliament. The impact of these amendments if proclaimed will be to abolish the Board and have all matters under the Act dealt with by the State Administrative Tribunal in its original jurisdiction. The draft amendments remain before Parliament at the time of preparing this report.
