

SSAA

What we do

MEMBERSHIPS

The Sporting Shooters Association of Australia was established in 1948 to promote the shooting sports and to protect firearms owners interests. Those roles remain vital today, and with well over 180 000 members and 400 clubs across Australia, the SSAA is the premier body representing firearms owners.

CLUBS & PROGRAMS

In Western Australia we have over 70 clubs and affiliated branches. We promote the legitimate and lawful use of firearms and lobby on your behalf for commonsense firearms laws at all levels of government. We promote ethical hunting and sponsor and support programs benefiting the community, such as the "Red Card for Feral Cats and Foxes" program, as well as conservation activities that protect native wildlife from the scourge of feral predators. We take responsible firearms ownership very seriously.

FAMILY FUN

At our clubs, all are welcome. Shooting is a highly regarded family activity catering for all types of firearms. It is one of the few sports where the whole family can have a go together, as well as being inclusive of those with disabilities. Come and have a go; you could very well be the next State or National champion!

MEMBER BENEFITS

As a member, you receive, among other member benefits, a monthly glossy magazine, as well as \$20 million public liability member insurance cover, and the offer of an exclusive members-only firearms insurance package.

New members are always welcome and valued. Isn't it time you considered joining Australia's largest shooting organisation, to help us stay strong and continue our role as the principal voice for Australian firearms owners?

SECURE YOUR GUNS YOUR SPORT

Safe firearm storage is your responsibility

Firearm safety and storage is an ongoing issue and deserves the attention of every legitimate firearm owner, sporting shooter and recreational hunter. The security of each firearm is up to the individual in possession of it. It is, however, up to all of us to do the right thing to protect our sport. For current regulations for storing and transporting firearms, please contact:

FOR A SAFER WA

SSAA has partnered with Crime Stoppers WA to promote firearms safety in our communities.

Crime Stoppers is an independent, not-for-profit organisation and registered charity helping keep our families and communities safe.

Crime Stoppers WA values the information you provide much more than knowing your identity. That's why measures are taken to

ensure your anonymity if you prefer it, whether you use the online report form or phone 1800 333 000.

Over 1,100 people a week contact Crime Stoppers WA with information about past, present or future criminal activity.

Don't let firearms fall into the wrong hands or criminals spoil our sport. Report what you know to Crime Stoppers:
