Dear Royal Flying Doctor Service,

GERALDTON HEALTH CAMPUS REDEVELOPMENT

WA Country Health Service (WACHS) Midwest has been allocated \$73.3 million via the Royalties for Regions funding for the redevelopment of the Geraldton Health Campus. Specifically, the funding is available for:

- A redeveloped and expanded Emergency Department;
- A new Integrated Mental Health Service;
- A redeveloped and expanded Intensive Care Unit/High Dependency Unit;
- A reconfigured Main Entry;
- Essential engineering service upgrades including the replacement of the chillers; and
- Redesign and expansion of car parking.

Prior to commencement of this project, WACHS Midwest would like to invite your organisation to nominate a key representative to form part of the Geraldton Health Campus Redevelopment Stakeholder Reference Group. The purpose of this group is to act as the principle communication, consultation and engagement group on service planning and project development associated with the Geraldton Health Campus Redevelopment.

Representatives should have the ability to deliver the following:

- Demonstrated understanding of the need for health reforms and the changing focus of health service delivery models
- Ability to work in a team environment
- Demonstrated critical thinking and planning skills
- Good communication skills
- Strong community links (through team/ group/ organisation) and the ability to communicate the community group's perspective
