INTRODUCTION

The Land Surveyors Licensing Board of Western Australia (the Board) is constituted under Section 4 of the *Licensed Surveyors Act 1909* (the Act). In accordance with Section 25C of the Act the Board has prepared the following report of its activities for the year ending 31 December 2020.

THE BOARD

The Board has six members. The Surveyor General is ex officio with one member nominated by the Chief Executive of Landgate to represent interests in relation to land registration matters. The WA Division of the Institution of Surveyors Australia nominates two members. The Minister nominates a member to represent the interests of the consumers of surveyors' services and one member is nominated by Curtin University as the approved tertiary education institution offering a relevant undergraduate course in surveying.

CHARTER OF THE BOARD

Land Boundary certainty is essential to a secure sustainable and cost-effective land tenure system. The community is entitled to the highest confidence in the training, qualification, skill and accountability of licensed surveyors who are responsible for the determination of land boundaries.

- To ensure that the education and training of licensed land surveyors state-wide is demonstrably able to meet the community expectations of the land titling system.
- To ensure that the practice standards of licensed land surveyors meet the expectation and requirements of the community and the registering authority.
- To provide a fair, open and accessible process to deal with complaints against licensed land surveyors to the extent that the occurrence and impact of breaches of the Act are minimised.

To achieve these objectives the Board will effectively engage with government, industry, education and the community through the processes of:

- Setting and monitoring education standards of candidates seeking registration as licensed surveyors
- Setting and monitoring training requirements of candidates for registration as licensed surveyors.
- Demonstrating the adequacy of education and training through the process of examination.
- Setting and monitoring standards for the continuous professional development of licensed land surveyors.

- Consultatively developing and regulating standards to enable licensed surveyors' practices to meet community and registering requirements.
- Acting in the community interest when breaches of Acts and Regulations are found.
- Maintaining reciprocity of registration throughout Australia and New Zealand.

ADMINISTRATION

During the year, Mr Craig Madden filled the position of Secretary of the Board.

The mailing address of the Board is:

Land Surveyors Licensing Board

PO Box 2222

MIDLAND WA 6936

Phone: (08) 9273 7104

Email: lslb@landgate.wa.gov.au

Website: www.lslb.wa.gov.au

The Board acknowledges, with appreciation, the support of the Chief Executive of Landgate and his professional officers in ensuring a high level of ongoing administrative support during the year.

MEMBERSHIP

Membership of the Board for 2020 was:

Member	Representation
Mr PCC Rhodes	Nominee of the Institution of Surveyors WA (Chairman)
Ms DS Bilick	Surveyor General of WA
Mr GI Cole	Nominee of the Institution of Surveyors WA
Dr MS Filmer	Nominee of Curtin University of Technology
Ms RJ Chapman	Nominee of the Minister for Lands
Mrs LK Herne	Nominee of the Chief Executive - Landgate

MEETINGS

During the year, there were eleven ordinary Board meetings. Attendance by members was as follows:

Member	Eligible to attend	Number attended	Term of Office
Mr PCC Rhodes	11	11	Jan-Dec 20
Ms DS Bilick	11	11	Jan-Dec 20
Dr MS Filmer	11	9	Jan-Dec 20
Mr GI Cole	11	10	Jan-Dec 20
Mrs LK Herne	11	10	Jan-Dec 20
Ms RJ Chapman	11	9	Jan-Dec 20

CHAIRMAN'S REPORT

General

The Board was fortunate not to be too adversely affected by COVID-19. Board business was able to continue with only a small number of Board meetings being forced to virtual meetings. As a consequence of the impact of COVID-19 issues for surveying businesses, the Board applied and was granted permission to defer the approved registration fee increases until January 2021. This was a relatively small cost to the Board, but signalled support to the Profession.

The majority of Board workings were able to continue. This included the continuation of the technological and digital upgrades started during 2019. A Portal for Surveyors and Graduates through the website went live in September providing the ability to record Continuous Professional Development; update personal and contact details; make application for annual Practising Certificates; and make electronic payment for annual Practising Certificates. The new process for renewing annual Practising Certificates went very smoothly and brings Board processes in line with contemporary expectations. The next stage of digital upgrade will see the digitisation of Graduate's Professional Training Agreements (PTA) including application; periodic report submission and recording of examination results.

Based upon the success and positive feedback from participants in 2019, the Board incorporated a networking breakfast for Supervisors of Graduates into the annual PTA seminar.

The PTA seminar was attended by 20 Graduates and had the theme of 'Professionalism in the Profession'. The agenda included guest presenters on the topics of Professionalism and Leadership. Additionally Graduates were given advice on the standards required in Board examinations and projects. The day ended with a presentation from a recently appointed Licensed Surveyor who spoke about 'Tips on a successful PTA and passing examinations'.

Since before Federation, the Land Surveyors Licensing Board has been a member of the Council of Reciprocating Surveyors Boards of Australia and New Zealand (CRSBANZ). CRSBANZ has a rotating Chairman appointment, with Western Australia taking both the Chair and Secretarial roles in 2020. One of the significant agendas for CRSBANZ was the identification of issues; and response to; the Federal Government's Automatic Mutual Recognition Bill.

Investigations and enquiries undertaken by the Board

The Board received three formal complaints for the year. The Board dismissed all three complaints as either not falling under the Board's jurisdiction or, after investigation, finding there was no grounds for discipline. No complaints were referred to the State Administrative Tribunal (SAT), and four complaints were carried over to 2021. The Board took one Discipline matter to SAT under section 21 (4) of the Act regarding a Licensed Surveyor who had been removed from the Register in the Northern Territory. SAT awarded in the Board's favour and the Licensed Surveyor was removed from the Register in Western Australia.

The Board and Landgate continued to operate together under a Memorandum of Understanding (MoU) by which Landgate provides a full time Secretary, corporate services and separate office accommodation that is readily accessible to the public. The MoU was reviewed and updated in October 2018. The Board believes this working arrangement continues to enhance the effective administration of the Act and thanks the Chief Executive of Landgate for his commitment and the ongoing assistance of Landgate's professional officers.

Trends

The decline in the number of licensed surveyors with Practising Certificates continued with 13 licensed surveyors from 2019 choosing not to renew their Practising Certificates for 2020. With the current age profile of licensed land surveyors skewed towards an age where retirement is an option, and the economic environment in WA, this decline is expected to continue for several more years. On a positive note, the increase in numbers of surveyors under a training agreement provides expectation of some renewal in the coming years.

The Board is also actively working with industry groups in promoting the surveying profession within schools and career advisors, as well as increasing the awareness of STEM related learning in general.

Paul Charles Cecil Rhodes

Chairman

FINANCE

A copy of the audited Financial Statement is included at Appendix A.

The Board's Auditor is Mr Dennis Yagmich of DB Yagmich & Co, 14 The Avenue, Midland WA 6056.

TRAINING AND REGISTRATION

As at 31 December 2020, there were 663 licensed land surveyors on the register. The complete register is included in this report at Appendix B.

205 of the licensed land surveyors held a 2020 Practising Certificate.

202 of the practising licensed land surveyors were resident in Western Australia.

During 2020, four surveyors were added to the register by way of practical examination. Two were added under reciprocal arrangements with other jurisdictions. One surveyor was reinstated on the register having been removed in 2004 under section 14 of the Act. Four licensed surveyors were removed from the register under section 14 (4) of the Act (deceased). One licensed surveyor was removed from the register under section 21 (4) of the Act (discipline).

As at 31 December 2020, there were 40 Professional Training Agreements (PTA) registered by the Board. Two new PTAs were registered in 2020.

PERFORMANCE INDICATORS

As part of a comprehensive strategic review, the Board has adopted the following performance indicators to ensure it is meeting its charter obligations to the community of Western Australia.

Objective: To ensure that the education and training of licensed land surveyors is demonstrably able to meet the community expectations of the land titling system.

Process

- Setting and monitoring education standards of candidates seeking registration as licensed land surveyors.
- Setting and monitoring training requirements of candidates for registration as licensed land surveyors.
- Demonstrating the adequacy of education and training through the process of examination.

Performance Indicator

- That the requisition rate for newly licensed land surveyors in the first year of registration does not exceed the industry average. *This performance indicator has been met.*
- The Board's examination process is formally reviewed on a regular basis not exceeding three years. *This performance indicator has been met. In years where formal reviews are not conducted, the Board constantly monitors the relevance of examination subjects and considers feedback from all sources.*
- Each candidate is interviewed by the subject examiners to provide feedback and professional guidance. *This performance indicator continues to be met with graduates offered an opportunity at the end of each exam round to receive feedback on their performance in the exams.*

Objective: To ensure that the practice standards of licensed land surveyors meet the expectation and requirements of the community and the registering authority.

Process

- Setting and monitoring standards for the continuous professional development of land surveyors.
- Consultatively developing and regulating standards to enable land surveyors practices to meet community and registering requirements.
- Maintaining reciprocity of registration throughout Australia and New Zealand.

Performance Indicator

- In that the rate of serious requisitions on deposited plans does not exceed 3%. *This performance indicator was met to the extent that advice from the survey auditors of Landgate showed a serious requisition rate of 0.00% for Crown deposited plans, 0.19% for freehold deposited plans and 0.11% for strata plans.*
- Licensed land surveyors whose requisition rates are in the highest quartile shall be directed to demonstrate improvement of their business practices. *One licensed land surveyor was required to demonstrate improvement in their business practices.*
- Licensed land surveyors who fail to meet performance requirements in successive reporting cycles will be required to demonstrate why their practising certificate should not be modified or withdrawn. *No licensed land surveyors were required to demonstrate why their practising certificate should not be modified or withdrawn.*
- The annual report of the Board will specifically address issues and trends relating to training, licensing and specific education. *This performance indicator is addressed in this annual report.*
- The Board will invite the Chief Executive of Landgate and a representative of the Department of Mines, Industry Regulation and Safety to advise on matters of concern on a regular basis. *This performance indicator is being met to the extent that the Chief Executive of Landgate and a representative of the Department of Mines, Industry Regulation and Safety have an open invitation to Board meetings.*
- The Board will assist the Minister in the nomination of a person to represent the interests of the consumers of land surveyors services. *This performance indicator was met with Ms Rachel Chapman appointed as a member of the Board to represent consumers.*
- The Board will actively participate in the professional forum of the Surveying and Spatial Sciences Institute and WA Institution of Surveyors. *This performance indicator was met by Board members and the Secretary regularly addressing continuing professional development seminars, cadastral workshops and cadastral interest groups.*
- The Board will encourage and support an annual regional conference of licensed land surveyors. *This performance indicator was met by the Board attending a one-day conference in Bunbury. There were over 40 local land surveyors present.*
- The Board actively supports the role of CRSBANZ to the extent that the Chairman or nominee attends each meeting. *This performance indicator was met with the Chairman participating in all programmed meetings via teleconference and attending in person.*
- The Board allocates adequate policy development and administrative resources to support the objectives of the CRSBANZ. *This performance indicator was met by Board Members and the Secretary providing CRSBANZ with the support required to achieve its objectives.*

- All applications for letters of accreditation and incoming registrations are dealt with at the first available Board meeting. *This performance indicator was met.*
- The register of licensed land surveyors be available on the Board's website and be available for inspection at the Board's office. *This performance indicator continues to be met.*
- Amendments to the register are made within three working days of Board authorisation. *This performance indicator continues to be met.*

Objective: To provide a fair, open and accessible process to deal with complaints against licensed land surveyors to the extent that the occurrence and impact of breaches of the *Licensed Surveyors Act 1909* are minimised.

Process

- Acting in the community interest when breaches of Acts and Regulations are found.
- The Secretary will be available to assist members of the public in formally establishing their complaint.

Performance Indicator

- The Board will maintain a website providing information to the public on the process of lodging a complaint. *This performance indicator continues to be met.*
- All cases are dealt with in accordance with the published policy. *This performance indicator was met.*
- Each complaint is considered at the first possible Board meeting. *This performance indicator was met.*
- A decision for a referral to the State Administrative Tribunal (SAT) is dealt within two (2) months of the first consideration by the Board. *This performance indicator was not met due to outstanding legal matters that had to be considered.*

Sydney Stokes Award

This award made by the Board, honours Sydney John Stokes who was a member and Secretary of the Board for 37 years from January 1948 until December 1984. It recognises achievement of the high standard of excellence and professionalism demanded by Sydney.

The award is made to a graduate who has an excellent performance in all aspects of the examination and the professional interview.

It was not awarded in 2020.

Larry Heavey Prize

This prize awarded by the Land Surveying Commission of the Surveying and Spatial Sciences Institute (SSSI), recognises the career of Larry Heavey. Larry in 1970, was appointed to the

position of Inspecting Surveyor, and in 1986 became Manager of the Survey Inspection Section in the Department of Land Administration. In these roles, he dedicated his life to the art and science of cadastral surveying and was a tireless contributor to the long-term success of the cadastral system in this state.

The prize is awarded to a graduate that shows excellence in the Field Survey and Practical Levelling examination.

It was not awarded in 2020.

Malcolm Evensen Prize

This prize awarded by the Land Surveying Commission of SSSI, recognises the outstanding career of Malcolm Evensen. Malcolm was a long serving survey examiner in the Department of Lands and Surveys, Land Administration and finally Land Information. The integrity of this state's cadastral system is due in no small part to Malcolm's dedication and the strong alliance he fostered with practising land surveyors.

The prize is awarded to a graduate and supervising surveyor presenting an outstanding urban cadastral project as part of the Board's examinations.

It was not awarded in 2020.

Neil Browne Prize

This prize awarded by the Board, recognises the career and public service of Neil Browne. Neil, a member of the Board from 2000 to 2008, was elected as a representative of the members of the Institution of Surveyors WA. In 2005 Neil was elected the first non-government Chairman of the Board since its establishment in 1886. Both the community and practising land surveyors were well served by Neil's expertise, his practicality and his articulate communication skills.

The prize is awarded to a graduate and supervising surveyor presenting an outstanding rural cadastral project as part of the Board's examinations.

It was not awarded in 2020.

LAND SURVEYORS LICENSING BOARD - Western Australia
Board Declaration

The board has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies prescribed in Note 1 to the financial statements.

The members of the board declare that:

1. the financial statements and notes are in accordance with the Corporations Act 2001:
 - (a) comply with Accounting Standards described in Note 1 to the financial statements and the Corporations Regulations; and
 - (b) give a true and fair view of the association's financial position as at 31 December 2020 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
2. in the board opinion, there are reasonable grounds to believe that the entity will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the members of the board.

Auditor's Independence Declaration

This declaration is made in connection with my audit of the financial report of the Land Surveyors Licensing Board of Western Australia for the year ended 31 December 2020 and in accordance with the Corporations Act 2001.

I declare that, to the best of my knowledge and belief, there have been:

- (i) No contraventions of the auditor independence requirements of the Corporations Act 2001 in relation to this audit; and
- (ii) No contraventions of any applicable code of professional conduct in relation to this audit.

Denis B Yagmich

Dated this 23 day of June 2021

LAND SURVEYORS LICENSING BOARD OF WESTERN AUSTRALIA

Independent Audit Report

To the members of Land Surveyors Licensing Board of Western Australia

We have audited the accompanying financial report, being a special purpose financial report, of the Land Surveyors Licensing Board of Western Australia, which comprises the Detailed Balance Sheet as at 31 December 2020, the Income and Expenditure Statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the board declaration statement.

The board's responsibility for the financial report

The board are responsible for the preparation and presentation of the financial report and have determined that the basis of preparation described in Note 1 is appropriate to meet its requirements. The board's responsibility also includes such internal controls as the board determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Accounting Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

We have conducted an independent audit of the statement of income and expenditure in order to express an opinion to the Minister of Lands on its preparation and presentation. No opinion is expressed as to whether the statement is appropriate to the needs of the Minister. The statement of income and expenditure has been prepared for submission to the Minister for Lands for the purpose of fulfilling the financial reporting requirements of the Licensed Surveyors' Act 1909. We disclaim any assumption of responsibility for any reliance on this report or on the statement of income and expenditure to which it relates to any person other than the Minister for Lands, or for any purpose other than that for which the report was prepared.

An audit involves performing procedures to obtain audit evidence about amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

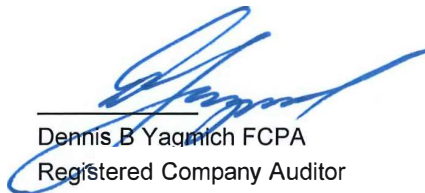

Opinion

In our opinion, the financial report presents fairly, in all material respects, the Detailed Balance Sheet of the Land Surveyors Licensing Board of Western Australia as at 31 December 2020, showing Total Members' Funds of \$58,446, and its Income and Expenditure Statement for the year then ended on that date, showing a deficit of \$31,288. It complies with Australian Accounting Standards to the extent mentioned in Note 1.

Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the board's reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

Land Surveyors Licensing Board
Notes to the Financial Statements
For the year ended 31 December 2020

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act . The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Receivables

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(b) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(c) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(d) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

Land Surveyors Licensing Board
Notes to the Financial Statements
For the year ended 31 December 2020

(e) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Note 2: Holding Bank Account

The Land Surveyors Licencing Board is holding cash funds on behalf of the Council of Reciprocating Surveyors Board of Australia and New Zealand. These funds as at 31 December 2020 were \$69,241.63 held in the Commonwealth Bank account number 42252018 and held in the name of Craig Duncan Madden with the address being Mr C.D Madden Land Surveyors Licencing Board 1 Midland Square Midland D.C WA 6936. The signatories of the account are Craig Madden, Paul Rhodes and Dione Billick. The bank account has not been included in the entities balance sheet.

The two transactions on the account were the initial deposit and the payment of a consulting invoice.
