(4) If the local government refuses to grant the application, it must advise the applicant in writing of its decision.

### 2.6 Conditions

(1) For the purpose of ensuring that the premises to which an application relates are suitable for the additional number of cats, the local government may impose any condition that it considers appropriate for that purpose, including—

(2) An approved person who does not comply with a condition of the approval commits an offence.

## 2.7 Renewal of an approval

- (1) The local government is to renew an approval if—
  - (a) the approved person has not breached the conditions of the approval;
  - (b) the approval would have been granted if a fresh application for approval had been made; and

- (2) On the renewal of an approval, the conditions of the approval that applied immediately before the renewal continue to have effect.

## 2.8 Transfer of an approval

- (1) An approval relates only to the premises specified in the approval, and only to the approved person specified in the approval, and is transferrable only in accordance with this clause.

  - (b) on the date of the grant, unless otherwise specified in the approval, the transferee becomes the approved person for the purposes of this local law.
- (6) If the local government refuses to grant an application for the transfer of an approval, it must advise the applicant in writing of its decision.

## 2.9 Variation or cancellation of an approval

- (1) The local government may, at any time, vary the conditions of an approval by giving written notice to the approved person and specifying the date on which the varied conditions are to become effective.

# PART 3—APPROVED CATTERY ESTABLISHMENT

## 3.1 Interpretation

In this Part, unless the context requires otherwise—

**cattery** means any premises where more than 2 cats are boarded, housed or trained temporarily, whether for profit or otherwise, and where the occupier of the premises is not the ordinary keeper of the cats;

**licence** means a cattery licence issued under this local law;

**licensee** means the holder of a licence;

**premises**, in addition to the meaning given to it in section 3 of the Act, means the premises described in the application to be licensed as a cattery; and

- (c) copies of the notices to be given under clause 3.4;

- (f) the fee for the application for a licence referred to in clause 3.11(1).

### **3.4 Notice of proposed use**

- (a) any written submissions as to the proposed use are to be lodged with the CEO within 14 days of the date the notice is given; and
- (b) the application and plans and specifications may be inspected at the offices of the local government.

(3) Where—

- (a) each notice given under subclause (1) does not clearly identify the premises; or
- (b) a notice given under subclause (1)(a) is of a size or in a location in the newspaper which, in the opinion of the local government, would fail to serve the purpose of notifying persons of the proposed use of the premises,

the local government may refuse to determine the application for a licence until each notice is given in accordance with its directions.

### **3.5 Exemption from notice requirements**

The requirements of clauses 3.3(c) and 3.4 do not apply in respect of an application for a licence if the application is made in respect of premises on which an approved cattery is either—

### **3.7 Determining an application**

In determining an application for a licence, the local government is to have regard to—

- (c) the effect which the cattery may have on the environment or amenity of the neighbourhood;
- (d) the physical suitability of the premises for the proposed use;
- (e) the structural suitability of any enclosure in which any cat is to be kept;
- (f) whether or not the imposition of and compliance with appropriate conditions of a licence will mitigate any adverse effects of the cattery identified in the preceding paragraphs; and
- (g) any other factors which the local government considers to be relevant in the circumstances of the application.

### 3.8 Where an application cannot be granted

The local government cannot grant an application for a licence where—

- (a) an approved cattery cannot be permitted by the local government on the premises under a local planning scheme unless prior valid planning approval has been issued by the local government and the application for a licence is consistent with that approval; or
- (b) an applicant for a licence or another person who will have the charge of the cats will not reside on the premises, or, in the opinion of the local government, sufficiently close to the premises so as to control the cats and so as to ensure their health and welfare.

### 3.9 Decision on an application

(1) The local government may, in respect of an application for a licence—

- (a) grant the application as it was submitted, unconditionally or subject to any conditions that it considers appropriate; or
- (b) grant the application but specify an alternative number of cats permitted to be kept on the premises; or
- (c) refuse to grant the application.

(2) If the local government grants the application subject to conditions, those conditions may relate to matters such as—

- (a) the location, number, type, form or construction, of any enclosure in which a cat is to be kept;
- (b) the maintenance, in good order and in a clean and sanitary condition, of each enclosure;
- (c) the type and construction of any fencing used to confine cats;
- (d) the maintenance, cleaning and sanitising of drinking and eating vessels;
- (e) the method of disposal of all refuse, faeces and food waste;
- (f) the effective control of odours, fleas and flies; and
- (g) the provision of suitable water available at the premises.

(3) If the local government grants the application, it is to issue a licence to the applicant in the form determined by the CEO.
