- (b) If the Lessor has provided the Lessee with notice requiring the Lessee to perform work to the Leased Area which is the responsibility of the Lessee under the Lease and the Lessee has failed to perform the work as required by the Lease then the Lessor retains the right to appoint a contractor, agent, employee or tradespeople of its choice to carry out such and the Lessee shall be liable to pay on demand by the Lessor any reasonable costs so incurred.

and the Lessor's consent is taken to be conditional on the Lessee complying with the obligations in this clause 16.2.

16.3 Lessee Remains Liable

The Lessee remains fully liable under this Lease even if the Lessee assigns or transfers this Lease or sublets the Leased Area or gives any right (including a licence) in relation to this Lease or the Leased Area to any other person.

16.4 Change in Control

- (a) For the purposes of this clause 16.4, the terms "Control", "Subsidiary" and "Holding Company" each have the same meaning as the corresponding term in the Corporations Act.
- (b) If there is a change in Control of the Lessee, the Lessor may require the Lessee to obtain from the persons who have acquired control, as reasonably nominated by the Lessor, a guarantee of the Lessee's obligations under this Lease in a form prepared or approved by the Lessor's solicitors.
- (c) If the Lessee is a Subsidiary a change in Control includes a change in Control of its Holding Company.

16.5 Exclusion of Statutory Provisions

The provisions of sections 80 and 82 of the *Property Law Act 1969* (WA) do not apply to this Lease.

16.6 Guarantee required

If the Lessee at any time intends to assign or transfer this Lease or if clause 16.4 applies, and if the Lessor requests, the Lessee must obtain a guarantee of the assignee's, transferee's or lessee's obligations under this Lease from the directors and principal shareholders of the assignee, transferee or lessee (if a company) or any other person reasonably required by the Lessor. The guarantee is to be on terms reasonably acceptable to the Lessor. In this clause 16.6 "guarantee" means guarantee and indemnify.

16.7 Fees

The Lessee must pay to the Lessor on demand all fees and expenses payable by the Lessor to any agent or consultant engaged by the Lessor in connection with a proposed assignment or sub-letting by the Lessee.

16.8 Dealing by Lessor with the Leased Area

- (a) The Lessor may transfer, mortgage, charge, licence or encumber the Land (including the Leased Area) or any part of it or any right, benefit, money or interest under this Lease without the Lessee's consent.
- (b) Without limiting clause 16.8(a), the rights and interests which the Lessor may grant include the right to cut down and remove timber or other vegetation from the Leased Area, the right to draw water or the right to excavate and remove rocks, earth, soil or other materials from the Leased Area.
- (c) The Lessee is not entitled to any compensation or to make any other claim against the Lessor in relation to the proper exercise of any right given to another person by the Lessor. The Lessee is responsible for and indemnifies the Lessor against any Loss resulting from any Claim made by a person to whom a right or interest has been granted by the Lessor in connection with any negligent act or omission of the Lessee or any default by the Lessee under this Lease.

17. HOLDING OVER

If the Lessor consents to the Lessee continuing to occupy the Leased Area after the Expiry Date or after the end of any extended term, the Lessee is a six-monthly Lessee of the Leased Area and:

- (a) the six-monthly tenancy may be terminated by either party giving to the other at least one month's notice which may expire on any day;
- (b) the rent is the same as the Rent payable in accordance with clause 4 (other than the Rent is payable via two instalments due every six months in advance on and from the date the six-monthly tenancy commences) as varied in accordance with clause 5; and
- (c) all the other provisions of this Lease apply to the six-monthly tenancy (including the variation of Rent under clause 5) except any option to extend this Lease.

18. DEFAULT

18.1 Essential terms

Every obligation of the Lessee under this Lease:

- (a) to pay money;
- (b) not to do something without the Lessor's consent;
- (c) to do something by a particular timeframe; or
- (d) relating to damage to or degradation of the Leased Area or to the state of repair or condition of the Leased Area,

is an essential term of this Lease.

This clause does not prevent any other obligation of the Lessee under this Lease being an essential term.

18.2 Events of Default

An Event of Default occurs if:

- (a) the Lessee repudiates this Lease;
- (b) the Lessee abandons the Leased Area, or ceases to use the Leased Area for the Permitted Use other than for a temporary period;
- (c) the Rent is at any time unpaid for 60 Business Days after becoming due, and a formal demand has been made;
- (d) (subject to clauses 18.2(a) and 18.2(b)) the Lessee breaches this Lease and does not remedy that breach within 10 Business Days (or such longer period as specified by the Lessor) after being given a notice by the Lessor requiring the Lessee to remedy that breach;
- (e) a judgment, order or a Security Interest is enforced, or becomes enforceable, against the Lessee's interest in this Lease or the Lessee's Property;
- (f) an Insolvency Event occurs in respect of the Lessee;

- (g) the Lessee commits more than 3 breaches of this Lease in any 180 day period (whether any of those breaches are remedied or not); or
- (h) the Lessee fails to comply with any other requirement of this Lease, which failure expressly constitutes an Event of Default for the purposes of this Lease.

18.3 Lessor's right to terminate

If an Event of Default occurs, the Lessor may terminate this Lease by:

- (a) re-entering the Leased Area without notice; or
- (b) notice to the Lessee.

18.4 Damages

- (a) If the Lessee defaults by not performing or complying with any obligation which is an essential term, the Lessor is entitled to:
 - (i) recover damages for losses over the whole Term, including losses caused by the non-payment of money by the Lessee over that period, even if this Lease is terminated by the Lessor as a result of an Event of Default before the Expiry Date or the end of any extended term or period of holding over;

less:
 - (ii) amounts which the Lessor could be reasonably expected to obtain by re-letting the Leased Area until the date on which the Term would have expired if the Lessor had not terminated this Lease before the end of the Term (but the Lessor is not to be taken to be required to accept the same or similar terms as those in this Lease).
- (b) The Lessor's right to recover damages is not affected by the occurrence of any of the following events:
 - (i) the Lessor accepts the Lessee's repudiation or abandonment of this Lease;
 - (ii) the Lessor terminates this Lease by notice or re-entry;
 - (iii) the Lessee has abandoned the Leased Area;

 - (B) the Lessor not receiving the benefit of the Lessee performing the Lessee's obligations under this Lease from the date of termination until the end of the Term,

including in each case, legal costs and expenses relating to any of those matters.

- (b) : The benefit of the Lessee performing the Lessee's obligations referred to in subclause 18.5(a)(ii)(B) is to be calculated on the assumption that this Lease continues in force until the end of the Term and taking into account the provisions in this Lease relating to Rent and other payments required by the Lessee.
- (c) This indemnity is not affected by the Lessor accepting a repudiation or abandonment of this Lease by the Lessee.

18.6 Interest on overdue money

The Lessee must pay interest on any amount payable by the Lessee under this Lease from the date the amount becomes due for payment until it is paid. The interest is to be paid on demand and is to be calculated on daily balances. The rate to be applied to each daily balance is the rate prescribed under section 8(1)(a) of the *Civil Judgments Enforcement Act 2004 (WA)* from time to time.

18.7 Acceptance of Rent or mitigation

The acceptance of Rent or other money owing under this Lease or an attempt by the Lessor to mitigate its loss is not a waiver of a breach by the Lessee of its obligations under this Lease or a surrender by operation of Law.

19. LESSEE'S OBLIGATIONS ON TERMINATION

19.1 Lessee to vacate

The Lessee must vacate the Leased Area and remove all the Lessee's Property (subject to clause 19.2) from the Leased Area and make good any damage caused by their removal by the end of the Term, except that if this Lease is terminated other than through the expiry of the Term, the Lessee must vacate the Leased Area and remove the Lessee's Property within 3 Business Days after this Lease is terminated (or such longer period as specified by the Lessor).

19.2 Lessee to leave property required by Lessor

The obligation to remove the Lessee's Property in clause 19.1 does not apply to any buildings, improvements or other fixtures in, on or under the Leased Area, without the Lessor's prior written consent.

19.3 Removal of Lessee's Property

If the Lessee does not comply with clause 19.1, the Lessee's Property shall at the option of the Lessor become the property of the Lessor (without any entitlement by the Lessee to compensation in respect thereof). If the Lessor does not assume ownership of any of the Lessee's Property under the previous sentence, the Lessor may remove the Lessee's Property from the Leased Area at the cost of the Lessee and either store it at the risk and cost of the Lessee or treat the Lessee's Property as abandoned and deal with it in any manner the Lessor chooses at the Lessee's cost.

19.4 Risk

The Lessee's Property remains at the Lessee's risk at all times before and after the termination of this Lease, except for any property which the Lessor requires not to be removed under clause 19.2, which is at the Lessor's risk after termination of this Lease.

19.5 Condition of the Leased Area

- (a) When the Lessee vacates the Leased Area, the Lessee must leave the Leased Area in good repair and condition and in a good state of decoration in accordance with the obligations of the Lessee under this Lease.

- (b) If the Lessee has made any improvements or alterations to the Leased Area or carried out any work on the Leased Area or done anything else to change the Leased Area, if the Lessor requires, the Lessee must reinstate the Leased Area before the end of the Term so that the Leased Area is returned to the condition it was in before the improvements or alterations were made, or the work carried out or the other changes were made, to the satisfaction of the Lessor, acting reasonably. The Lessee's obligations under this clause include removing any building or other structure erected in the Leased Area by the Lessee unless the Lessor agrees otherwise or unless this Lease provides otherwise.

19.6 Survive Termination

The Lessee's obligations under this clause 19 shall survive termination of this Lease.

19.7 Recovery of Damages

- (a) For the purposes of this clause 19.7, **Liquidated Damages** means a daily sum equal to 1/365th of the aggregate of the Rent and Rates and Taxes payable by the Lessee under this Lease for the 12 months immediately preceding the date of the expiry or termination of this Lease.
- (b) Without prejudice to any other right or remedy of the Lessor contained or implied in this Lease, the Lessor may recover from the Lessee, and the Lessee must pay to the Lessor, Liquidated Damages for each day of the period that starts on the day immediately after the expiry or termination of this Lease and ends on the day the Lessee completes the performance of its obligations under this clause 19.7 (or such earlier date on which the Lessor may cause any default by the Lessee in the performance of such obligations to be remedied).

20. FORCE MAJEURE

20.1 Force Majeure Event

For the purposes of this clause 20, a "Force Majeure Event" means an event that prevents a party from performing its obligations, or receiving the benefit of the other party's obligations, in whole or part, under this Lease and which is unforeseeable and beyond the reasonable control of the affected Party, including:

- (a) an act of God;
- (b) an explosion or fire;
- (c) a war, riot, civil unrest, insurrection, sabotage or terrorism;
- (d) an epidemic or pandemic or shortages caused thereby;
- (e) industrial action (other than industrial action limited to the affected party);
- (f) inclement weather; and
- (g) a law, rule or regulation of any government or governmental agency, and executive or administrative order, act or requirement of general application;

but does not include:

- (h) a lack or inability to use funds for any reason; or

- (i) any occurrence which results from the wrongful or negligent act or omission of the affected party (including breach of this Lease or other contract) or the failure by the affected party to act in a reasonable and prudent manner; or
- (j) the breakdown of equipment; or
- (k) the failure by a third party to fulfil a contractual commitment with the affected party (other than as a result of any of items (a) to (g) above; or
- (l) or any act or omission of a subcontractor.

20.2 Effect of Force majeure

- (a) A party is not liable for its inability to perform, or for any delay in performing, any of its obligations under this Lease (other than an obligation to pay Rent or other monies unless clause 20.5 applies), to the extent that, and during the time that, the inability or delay is caused by a Force Majeure Event.
- (b) If a party is prevented from performing its obligations under this Lease by a Force Majeure Event, then that party must:
 - (i) notify the other party as soon as reasonably practicable of the Force Majeure Event, giving details of the nature of the Force Majeure Event, the effect the Force Majeure Event will have on the party's performance of its obligations under this Lease (including which obligations it is prevented from performing), and the expected duration of the Force Majeure Event; and
 - (ii) use its best endeavours to minimise the effect of the Force Majeure Event on the party's performance of its obligations under this Lease.
- (c) Subject to clause 20.2(f), the time for performance of any obligation by either party under this Lease will be extended by a period which is reasonable in the circumstances. For the avoidance of doubt, any extension of time under this clause 20.2(c) does not in any way operate to extend the Term.
- (d) The affected party must provide the other party with regular updates as to the affected party's circumstances and the impact of the Force Majeure Event during the time that it is prevented from performing its, or receiving the benefit of the other party's, obligations under this Lease and in any event must provide the other party with an update within 3 Business Days of a request at any time by the other party.
- (e) The affected party must notify the other party in writing as soon as, and in any event within 3 Business Days of, the Force Majeure Event ceasing to prevent it from performing under this Lease.
- (f) If a party's performance is affected by a Force Majeure Event for a period equal to or greater than six months, either party may terminate this Lease with immediate effect by notice in writing to the other party.

20.3 No other liability

Neither the Lessee nor the Lessor is liable to the other solely because of the termination of this Lease under this clause 20.

20.4 No obligation to reinstate

Nothing in this clause 20 or elsewhere imposes an obligation on the Lessor to repair, remediate, replace or reinstate the Leased Area.

20.5 Rent reduction where Leased Area is damaged or destroyed

If any part of the Leased Area is damaged or destroyed so that the whole or a substantial part is unfit for use by the Lessee, from the date the damage or destruction occurs until the earlier of the date of termination of this Lease or until the date on which the Leased Area is made fit for use by the Lessee, the Lessee may reduce payments in respect of Rent and Rates and Taxes by a percentage equal to the percentage loss of amenity in respect of the Leased Area caused by the damage or destruction. The extent of the loss of amenity is to be agreed between the Lessor and the Lessee or, if agreement is not reached within 1 month after the damage or destruction occurs, determined under clause 20.6.

20.6 Dispute resolution

A dispute arising under clause 20.5 about the loss of amenity is to be determined by a qualified person nominated by the President of the Insurance Council of Australia Limited. Either the Lessor or the Lessee may ask the president to nominate that person, who is to act as an expert and not an arbitrator.

20.7 Interim payments

If clause 20.5 applies, the Lessee must continue making payments in respect of Rent and Rates and Taxes under this Lease by reference to the Rent and the amount of the Rates and Taxes payable immediately before the damage or destruction occurred until the amount of the reduction is agreed under clause 20.5 or determined under clause 20.6. Immediately afterwards, an adjustment is to be made for any amount overpaid.

20.8 Non-payment of insurance money

The Lessee's rights to terminate this Lease under clause 20.2(f) or to a reduction of Rent under clause 20.5 do not apply if:

- (a) insurance money otherwise payable under an insurance policy in connection with the Leased Area is not paid by the insurer as a result of an act or omission by the Lessee or the Lessee's Visitors; or
- (b) any contractual breach, or actionable, civil or criminal wrong, by or on the part of the Lessee or the Lessee's Visitors, caused the destruction or damage of or to the Leased Area.
