

LEGISLATIVE COUNCIL
Question On Notice

Wednesday 13th March 2024

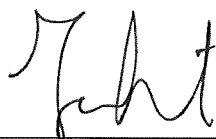

1948. Hon Donna Faragher to the Leader of the House representing the Minister for Education

I refer to approved specialist programs at schools in Western Australia, and I ask:

- a) please list all approved specialist programs being offered in Western Australian public schools; and
- b) for each program listed in (a), how many students were enrolled in the following years:
 - i. 2021;
 - ii. 2022; and
 - iii. 2023?

Answer

- a) I table the attached document 'Approved Specialist Programs in Public Schools'. This does not include gifted and talented programs.
- b) Data is not available. Student enrolments in approved specialist programs are not recorded centrally by the Department of Education.

Hon. Dr Tony Buti MLA
Minister for Education

Approved Specialist Programs in public schools
