

MINISTERIAL OFFICES, GOVERNMENT DEPARTMENTS AND AGENCIES -
ONLINE MARKETING TEAMS OR WEBSITE MANAGEMENT TEAMS

2806. Mr A.J. Simpson to the Minister representing the Minister for Child Protection; Communities; Women's Interests; Seniors and Volunteering

Can the Minister advise whether the Minister's office or any Government department or publicly owned corporation under the Minister's portfolios have online marketing teams or website management teams and if so list them, including the following information:

- (a) how many staff are employed as a part of each team or as ancillary support staff assisting the team;
- (b) the names of each staff member in each team along with:
 - (i) their position and role;
 - (ii) their level of pay;
 - (iii) their qualifications; and
 - (iv) employment details of any previous record of employment by the State Government, any State Government department or Government-owned corporation, ministerial office or electorate office;
- (c) which members of this team have been provided with the following items and the costs involved in providing them:
 - (i) Government-owned car;
 - (ii) mobile phone;
 - (iii) Personal Digital Assistant (PDA); and
 - (iv) laptop or notebook;
- (d) whether any of the members of each team have been provided with a credit card; and if so
 - (i) list the staff members provided with the card and the credit limit of the cards in question.
- (e) if there is a general office credit card or cards and the credit limit; and
- (f) other specific costs associated with each team, including office space, computers or other office equipment?

Mr D.A. TEMPLEMAN replied:

MINISTERIAL OFFICE

No online marketing team or website management team is assigned within the Ministerial Office as described in the question.

DEPARTMENT FOR CHILD PROTECTION

No online marketing team or website management team is assigned within the Department for Child Protection as described in the question.

DEPARTMENT FOR COMMUNITIES

No online marketing team is assigned within the Department for Communities as described in the question.

The day to day management of websites is not assigned to a specific "website management team" within the Department for Communities, as described in the question.
