

BAIL AMENDMENT BILL 2022

Question without Notice 657 — Supplementary Information

HON MATTHEW SWINBOURN (East Metropolitan — Parliamentary Secretary) [5.02 pm]: On Tuesday, 16 August 2022, Hon Nick Goiran requested that the Attorney General table a de-identified suppression order relating to a particular case. On behalf of the Attorney General, I informed the house that the Attorney General's office would take steps to request that the court provide a de-identified copy of any active suppression order for the purposes of tabling it in Parliament. I undertook to provide an update to the house by no later than the end of this sitting week. I inform the house that the Attorney General's office has received a de-identified copy of the suppression order and I now table it.
