

LOCAL GOVERNMENT — DOG ACT — RANGERS

3946. Mr A. Krsticevic to the Minister for Local Government:

How many rangers capable of enforcing the *Dog Act 1976* are employed across the WA local governments, and:

- (a) What is the metropolitan versus rural breakdown of the rangers; and
- (b) What is the combined cost of rangers across WA local government?

**Mr D.A. Templeman replied:**

- (a)–(b) The Department of Local Government, Sport and Cultural Industries does not collate the information requested. The Member would need to approach each individual local government in this regard.
