*Question: Mr E.S. Ripper asked:* Please provide information about the gap between the investment levels in the existing access arrangement and the investment levels in the draft access arrangement.

*Answer:* This question can be read as either comparing the State Budget to the ERA's draft decision or Western Power's revised AA3 proposal. Answers to both interpretations of this question have been provided.

Option 1: The existing Asset Investment Program in the State Budget is \$998 million lower than the Capital Expenditure contained in Western Power's revised AA3 submission at 29 May 2012, across 2012/13 to 2015/16.

Option 2: The existing Asset Investment Program in the State Budget is \$328 million lower than the Capital Expenditure contained in the Economic Regulation Authority's (ERA) draft decision on 29 March 2012 across 2012/13 to 2015/16.
