

LEIGHTON BEACH FORESHORE — TRAFFIC FLOW

3065. Ms S.F. McGurk to the Minister for Transport:

I refer to the Leighton Beach foreshore development and ask:

- (a) what modelling has Main Roads done on traffic flows in the area;
- (b) does the modelling show what impact the realignment of Curtin Avenue will have on traffic flow in the area; and
- (c) if yes to (b), will the Minister table the modelling?

Mr D.C. Nalder replied:

- (a)–(c) Main Roads is currently undertaking traffic modelling and traffic assessments to understand the future traffic flows in this area.
