

LAKE JASPER PROJECT - ALLEGATIONS OF ABUSE

627. Mr P.D. OMODEI to the Minister for Community Development:

I have a supplementary question. Will the minister table the report on the allegations of the physical and mental abuse of children at Lake Jasper?

Mr D.A. TEMPLEMAN replied:

Reports on these sorts of allegations may contain confidential information. I will ensure that any report is appropriately reviewed to ensure that the protection of children is of paramount importance.
