  - (i) what is the make, model and associated cost of each vehicle;
  - (ii) what is the registration nature of each vehicle (i.e. q-plate etc.);
  - (iii) were any accessories fitted to the vehicle and if so, what were they and what did they cost; and
  - (iv) why was each vehicle procured external to the state fleet arrangement; and
- (b) as at 1 July 2017, how many vehicles were owned or under lease which were procured through the state fleet?
