

APPROPRIATION (CAPITAL 2020–21) BILL 2020

Receipt and First Reading

Bill received from the Assembly; and, on motion by **Hon Stephen Dawson (Minister for Environment)**, read a first time.

Second Reading

HON STEPHEN DAWSON (Mining and Pastoral — Minister for Environment) [10.09 pm]: I move —

That the bill be now read a second time.

The bill seeks supply and appropriation from the consolidated account for capital purposes during the 2020–21 financial year as expressed in the schedule to the bill and as detailed under “Agency Information in Support of the Estimates” in the 2020–21 *Budget Statements*. Included in the capital expenditure and financing transaction estimates of \$4 822 850 000 is an amount of \$247 625 000 authorised by other statutes, leaving an amount of \$4 575 225 000, which is to be appropriated in the manner shown in the schedule to Appropriation (Capital 2020–21) Bill 2020.

Pursuant to standing order 126(1), I advise that this bill is not a uniform legislation bill. It does not ratify or give effect to an intergovernmental or multilateral agreement to which the government of the state is a party; nor does the bill, by reason of its subject matter, introduce a uniform scheme or uniform laws throughout the commonwealth.

I commend the bill to the house and table the explanatory memorandum.

[See paper [4542](#).]

Debate adjourned, pursuant to standing orders.
