

Synergy —

[Supplementary Information No B38.]

Question: Mr B.S. Wyatt requested information on the Z tariff for street lighting and what communication Synergy has had with local governments, possibly through their agent WALGA, about the determination of the Z tariff, and what they had in the previous five years.

Answer: See attached documents. Communications relating to increases in 2010 and 2009 are still being sourced.

[See Assembly papers office for this information.]

[Supplementary Information No B39.]

Question: Mr W.J. Johnston asked: Can the minister tell me the total FTE head count for Synergy on 30 June 2012, and of that number, how many were direct employees and how many were contractors?

Answer:

Total FTE	476
Direct Employees	411
Contractors	65

[Supplementary Information No B40.]

Question: Mr F.M. Logan asked: I would like Synergy's actual expenditure on FBT for 2012–13. How much expenditure that attracted FBT was from entertainment? How much was the underlying expenditure that attracted the entertainment FBT and what was the detail of the expenditure?

Answer:

- (i) \$376,896 – Total FBT
- (ii) \$159,808 – Total FBT attributable to entertainment
- (iii) Staff rewards & recognition; Corporate Hospitality (including activities to secure significant sales contracts in the highly competitive contestable market): \$314,666
