

ESPERANCE LEAD POLLUTION

463. Mr G. SNOOK to the Minister for the Environment:

I have a supplementary question. With respect, the minister did not answer the question I asked. How many restructures have occurred since the Gallop-Carpenter government came to power?

Mr D.A. TEMPLEMAN replied:

As I mentioned, I highlighted the most recent change. Other agencies have restructured and taken on other responsibilities, including the Department of Water. I am sure that if the member would like an exhaustive list, it could be provided as additional information.

Several members interjected.

The DEPUTY SPEAKER: I call the member for Capel to order for a second time. Persistent heckling is unacceptable.

Mr P.D. Omodei: Maybe you should try to answer a question on that side.

The DEPUTY SPEAKER: I call the Leader of the Opposition to order for the second time.
