

DEPARTMENT OF COMMUNITIES — SAFE SPACE

2619. Dr M.D. Nahan to the Minister for Child Protection; Women's Interests; Prevention of Family and Domestic Violence; Community Services:

Please outline what the safe space is that will be built (and details such as purpose, size, whether the space will have supervision etc.) as per a contract ,Reference Number: OG0142017, that has gone out for tender by the Department of Communities?

Ms S.F. McGurk replied:

The Federation of WA Police and Community Youth Centres (PCYC) received a one-off grant of \$80,000 (plus GST) from the Department of Communities to support the delivery of the Roebourne PCYC Safe Space Project for one year. The funding was not for building. The Roebourne PCYC Safe Space Project provides a program for local young people to interact and play in a safe, supervised environment while engaging in life skills workshops, with access to qualified youth workers and support agencies.
