

LOCAL GOVERNMENT — CEMETERIES — KARRAKATTA

2568. Mr A. Krsticevic to the Minister for Local Government:

In respect of plots at the Karrakatta Cemetery, I understand the Monument Assessment and Advisory Committee considers a range of criteria in deciding which family monuments are to be preserved and which destroyed and note the list of those criteria provided in public information/publications is non-exhaustive:

- (a) can you provide an exhaustive list; and
- (b) if no, can you please provided a list of the relevant criteria?

Mr D.A. Templeman replied:

- (a) The following is the list that the Monument Assessment and Advisory Committee uses to assess which monuments in a renewal area are to be retained:

- Aesthetic
- Authenticity
- Condition
- Historic
- Integrity
- Rarity
- Representativeness
- Scientific
- Social
- Official wargraves status/honouring indigenous wargraves.
- Recent and regular visitation to the grave
- Recent interments

- (b) Not applicable.
