

**TOWN OF EAST FREMANTLE'S LOCAL PLANNING SCHEME 3 —
AMENDMENT 15 — ROYAL GEORGE HOTEL SITE**

Petition

MS S.F. McGURK (Fremantle — Minister for Child Protection) [9.03 am]: I have a petition containing 387 signatures, which has been certified by the Clerk, in the following terms —

We, the undersigned respectfully request that the WA Planning Commission endorses and the Hon. Minister for Planning approves the Town of East Fremantle's Local Planning Scheme No.3 Amendment No. 15 in its current form (Council Meeting 6 June 2018) relating to the Royal George Hotel site at 34 Duke Street, East Fremantle.

Any variation in the proposed clauses, particularly to increase the building height and associated land use intensity, would result in a development that will have detrimental planning and amenity impacts on the character of this unique heritage area and its residents.

That brings the total number of petitioners on this issue to 2 201.

[See petition 110.]
