

LOCAL GOVERNMENT ACT — INVESTIGATION COSTS

4815. Mr A. Krsticevic to the Minister for Local Government:

Can the Minister provide a cost breakdown for the services provided within the Department of Local Government, Sport and Cultural Industries to deal with breaches and investigations of matters concerning the *Local Government Act 1995*:

(a) If not, why not?

Mr D.A. Templeman replied:

(a) The resources applied align with State Budget appropriation. It would not represent good public value for the Department to record time on task allocated to each of the functions of the Department.
