

LEGISLATIVE ASSEMBLY ESTIMATES COMMITTEE B

Supplementary Information — Division 14

MS S.F. McGURK (Fremantle — Minister for Child Protection) [2.57 pm]: In accordance with standing order 82A, I clarify that on Thursday, 21 September in Estimates Committee B, under division 14, I spoke about work done at Royal Perth Hospital to assist homeless people to not only get the medical attention that they need, but also link in with other support services. I could not recall the name of the doctor doing very effective work in this area, and for the record I would like to clarify that she is in fact Dr Amanda Stafford.
