

ART GALLERY OF WESTERN AUSTRALIA — EXHIBITION SPACE

4821. Mr A. Krsticevic to the Minister for Culture and the Arts:

I refer to comments made by the Art Gallery of WA director Stefano Carboni to the Standing Committee on Estimates and Financial Operations on November 13, 2018 and ask:

- (a) What is the total exhibition space lost on the second floor of the gallery to accommodate additional storage;
- (b) What does that lost exhibition space represent as a percentage of total exhibition space at the gallery; and
- (c) Is it the gallery's plan to reclaim that lost exhibition space if more off-site storage space is obtained?

Mr D.A. Templeman replied:

- (a) 358m²
- (b) 9 per cent (excluding Main building concourse)
- (c) Yes.
