

CITY OF PERTH BILL 2015 — CRAWLEY FINGER — CITY OF SUBIACO

494. Mr D.A. TEMPLEMAN to the Minister for Local Government:

I have a supplementary question. I quote the Mayor of the City of Subiaco, “The city has not had any interaction from anyone from the government since we met with Jennifer Mathews and Nick Sloan at the beginning of March.” Why is the minister misleading this house about meetings that he says he has with the city and he has not had them?

Mr A.J. SIMPSON replied:

Mr Speaker —

Mr D.A. Templeman interjected.

The SPEAKER: Member for Mandurah, we heard you. You have a sonorous voice.

Mr A.J. SIMPSON: The City of Perth Bill 2015 is good legislation. We are trying to work through that process. I am happy to meet with people from the City of Subiaco if they want me to. We have contacted the City of Subiaco and we wrote the council a letter. We met with the City of Subiaco. My door is always open, as it is for any local government involved in this process, and I am happy to meet with them.
