

Division 5: Governor's Establishment, \$4 460 000 —

Mr J.C. KOBELKE: On another procedural matter, I ask whether we have consensus amongst our colleagues to simply put the Governor's Establishment straight off, without questions?

The CHAIRMAN: Member for Balcatta, can I just remind you that you are not listed as a member of the committee so it would need to come from someone on the committee.

Mr W.J. JOHNSTON: With the Chair's consent, I ask the same question.

The CHAIRMAN: Is leave granted to do that?

[Leave granted.]

The appropriation was recommended.
