

TRANSPORT — AUXILIARY NUMBER PLATES

4112. Mr D.A. Templeman to the Minister for Transport:

- (1) I refer to Road Traffic (Vehicles) Regulations 2014 and ask?
- (2) Given that auxiliary number plates are now available for the public to purchase for the purpose of fixing to bike carriers and the like which obstruct the vehicle number plate will the Government undertake a public awareness campaign to ensure the public are aware that auxiliary number plates are now available?
- (3) When will Auxiliary number plates be made available to drivers of company cars?
- (4) If not are drivers of company vehicles who are required to carry bikes or wheelchairs which may obstruct the vehicle number plate liable for a fine under Road Traffic (Vehicles) Regulations 2014 — REG 120?

Mr D.C. Nalder replied:

- (1)–(2) The Department of Transport initiated a phased communication and awareness raising strategy for the auxiliary number plate product on 14 May 2015.
- (3) October 2015
- (4) Not applicable
