

**DOUBLE JEOPARDY LAW REFORM — JAY WRAGG CASE**

*Nonconforming Petition*

**MR D.A. TEMPLEMAN (Mandurah)** [2.56 pm]: There are a further 5 622 signatures on a document couched in similar terms, but, unfortunately, those signatures on the forms provided do not comply with the standing orders. However, I seek your permission, Mr Speaker, to place that petition on the table for the balance of today's sitting for the information of members.

**The SPEAKER:** That document can be tabled, but the petition will not be recognised, member.

**Mr D.A. TEMPLEMAN:** I also have another petition. If I could just quickly refer to the petition I sought to lay on the table.

**The SPEAKER:** I have given you that permission, member.

**Mr D.A. TEMPLEMAN:** May I briefly read it?

**The SPEAKER:** If you will.

**Mr D.A. TEMPLEMAN:** The petition states —

Natasha Wragg's Husband **MR JAY WRAGG** was brutally **murdered** by a hit to the head with a cricket bat. With today's judicial system **MR WRAGG'S** murderer got to be a free man. **MR WRAGG'S** murder trial made it quite clear that certain laws were Inadequate and **NEED** to be changed now. It is Natasha and the families hope, that by signing the below petition, you will help these laws to be rectified and this can stop any further injustice and agony to another family.

This petition will be forwarded to CHRISTIAN PORTER the ATTORNEY GENERAL in the hope for his action.

We the undersigned are fully Supporting Natasha Wragg's fight for the below law to be changed.

The Current Law: "**DOUBLE JEOPARDY**"

To be changed so double jeopardy no longer applies to serious crimes such as murder, manslaughter or gang rape in line with New South Wales Current Law.

[The petition was tabled for the information of members.]
