

FLY BY NIGHT MUSICIANS CLUB, FREMANTLE

523. Ms S.F. McGURK to the Minister for Culture and the Arts:

I have a supplementary question. Will the government step in and save the Fly by Night Musicians Club as a vibrant independent and successful arts venue?

Mr J.H.D. DAY replied:

As I said, the Fly by Night Club is an important organisation and we will provide assistance where we reasonably can, but we need to see what the outcome of the process that is currently being undertaken by the National Trust will be.
