MS S.F. McGURK (Fremantle — Minister for Community Services) [2.50 pm]: I rise under standing order 82A to table further information in relation to question on notice 4248, answered on 20 November 2018. In response to part (i) of the question, I provided homeless service figures in a table format. I have since been given updated information by the Department of Communities and I now table that updated response.
