

DEPARTMENT OF COMMUNITIES — MACHINERY OF GOVERNMENT — AMALGAMATIONS

1813. Mr Z.R.F. Kirkup to the Minister for Child Protection; Women's Interests; Prevention of Family and Domestic Violence; Community Services:

I refer to the recent machinery of government changes which saw agencies merged and ask, for these new agencies:

- (a) how much money has been spent on the creation of new logos or branding;
- (b) how much money has been spent on design, creation, construction and installation of signage (indoor or outdoor);
- (c) how much money has been spent on the design and printing of new stationery; and
- (d) how much money has been spent actively promoting these changes?

Ms S.F. McGurk replied:

- (a) \$3 840.00 (excluding GST)
- (b) \$1 640.00 (excluding GST)
- (c) \$240.00 (excluding GST). In line with the advice from the State Government new stationery using the Department of Communities logo has only been printed as existing stocks have been exhausted. The only exception to this was the printing of business cards for the new Corporate Executive due to the change in position titles/functions.
- (d) Nil.
