

COUNCILLOR JEMMA GREEN — CITY OF PERTH — ALLEGATIONS

**68. Mr A. KRSTICEVIC to the Minister for Local Government:**

I have a supplementary question. Will the minister ask the Department of Local Government, Sport and Cultural Industries to investigate potential breaches of the act surrounding the CEO of the City of Perth being bullied and harassed, and whether proper process has taken place?

**Mr D.A. TEMPLEMAN replied:**

As I have just said, there are discussions and investigations in terms of the department about seeking information about a whole range of allegations, and they will be sought by the department, as is the responsibility of the department. If it comes to pass that there are breaches of the Local Government Act then, of course, actions will be required to be taken. But we do not have all the information, member. If you have any additional information, member, maybe you might like to do it in the appropriate fashion and give it to the department in the appropriate way, rather than constantly slandering people or attempting to attack people in this place, which is your behaviour and your habit.

**The SPEAKER:** That is the end of question time.
