

DEPARTMENT OF HOUSING — RELOCATION

331. Ms S.F. McGURK to the Minister for Finance:

I have a supplementary question. When will the minister give some certainty to those parties relying on a decision on this important issue to Fremantle? When, minister?

Mr W.R. MARMION replied:

The value-for-money options that have been looked at have been presented to me.

Several members interjected.

Mr W.R. MARMION: Do members want an answer? I will give them an answer if they shut up!

Several members interjected.

Mr W.R. MARMION: If members do not want an answer, I will just sit here and wait for the answer.

Mr D.J. Kelly interjected.

The SPEAKER: Member for Bassendean!

Mr W.R. MARMION: I will give the answer. The answer at the moment is that there will be a slight cost to government to move to Fremantle—but that was about three weeks ago. With the price changing, we are looking at it.
