

APPROPRIATION (CONSOLIDATED ACCOUNT) CAPITAL 2014–15 BILL 2014

Receipt and First Reading

Bill received from the Assembly; and, on motion by **Hon Helen Morton (Minister for Mental Health)**, read a first time.

Second Reading

HON HELEN MORTON (East Metropolitan — Minister for Mental Health) [9.35 pm]: I move —

That the bill be now read a second time.

The bill seeks supply and appropriation from the consolidated account for capital purposes during the 2014–15 financial year, as expressed in the schedule to the bill and as detailed in the agency information in support of the estimates in the 2014–15 budget statements. Included in the capital expenditure and financing transactions estimates of \$2 658 336 000 is an amount of \$173 368 000 authorised by other statutes, leaving an amount of \$2 484 968 000, which is to be appropriated in the manner shown in the schedule to the Appropriation (Consolidated Account) Capital 2014–15 Bill 2014.

Pursuant to standing order 126(1), I advise that this bill is not a uniform legislation bill. It does not ratify or give effect to an intergovernmental or multilateral agreement to which the government of the state is a party; nor does the bill, by reason of its subject matter, introduce a uniform scheme or uniform laws throughout the commonwealth. I commend the bill to the house and table the explanatory memorandum.

[See paper 1642.]

Debate adjourned, pursuant to standing orders.
