

SOUTH WEST ABORIGINAL MEDICAL SERVICE HEALTH HUB — BUNBURY

Petition

MR D.T. PUNCH (Bunbury) [12.06 pm]: I have a petition that has been certified by the clerks of the Legislative Assembly from 1 410 petitioners in the following terms —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say; we appeal to you to provide funding for the building of a South West Aboriginal Medical Service (SWAMS) Health Hub in Bunbury.

This Health Hub will enable SWAMS to provide all of their medical services from one location; improving quality of life, access to community health and wellbeing services which is directly contributing to Closing the Gap for the Noongar people of the South West.

Now we ask the Legislative Assembly to make this funding available.
