

FEMALE CAGE-FIGHTING EVENTS — MALE-DOMINATED AUDIENCES

100. Ms L. METTAM to the Minister for Prevention of Family and Domestic Violence:

I have a supplementary question. Does the minister agree that fighting between women in front of a male-dominated audience could lead to more domestic violence?

Several members interjected.

The SPEAKER: Members! I do not think it is a supplementary question, but the minister can answer it if she wants to.

Ms S.F. McGURK replied:

The fighting was occurring in rings anyway. This government will ensure that the fighting occurs in an octagon, in a safe environment, so the participants are not injured unnecessarily.

Mr C.J. Barnett interjected.

The SPEAKER: Member for Cottesloe, I call you to order for the second time.
