

DEPARTMENT OF HOUSING — FREMANTLE RELOCATION

5485. Ms S.F. McGurk to the Minister for Finance:

What are the estimated costing's the Department of Housing has completed on moving the Department to Fremantle:

(a) please detail this costings?

Mr W.R. Marmion replied:

The Department of Finance advises:

The Housing Authority has advised that the agency has not undertaken its own costings on moving to Fremantle. Aggregated costings have been undertaken by the Department of Finance as part of the modelling around a multiple-agency move to Fremantle. These costings cannot be released at this time, as it would adversely affect the upcoming commercial negotiations. The Government will make this information public at the end of the process.
