

LEGISLATIVE ASSEMBLY ESTIMATES COMMITTEE B

Correction of Answer — Division 33

MS S.F. McGURK (Fremantle — Minister for Community Services) [2.57 pm]: I rise under standing order 82A. On Thursday, 23 May 2019, during the estimates committee B hearing on the Department of Communities, division 33, Services 1 to 6, the director general provided information to the house that requires correction. The director general advised that six regional executive director positions have been established. I now advise that there are five, not six, regional executive director positions.
