

FIRE AND EMERGENCY SERVICES AUTHORITY BOARD — MEETINGS WITH MINISTER

**514. Dr A.D. BUTI to the Minister for Emergency Services:**

I have a supplementary question. How many times did the minister meet with the FESA board in 2010? In his answer in Parliament last week when asked about the whole board, he said —

... probably once or twice a year ...

**Mr R.F. JOHNSON replied:**

Yes, I met the board, I think, at least once last year. I think that is —

**Mrs M.H. Roberts:** When was that?

**Mr R.F. JOHNSON:** I am answering his question, not yours.

**Mrs M.H. Roberts:** That is the question.

**The SPEAKER:** Member for Midland!

**Mr R.F. JOHNSON:** I think it was in December, but I would have to confirm that.

**Mrs M.H. Roberts:** You have not met with them all year.

**The SPEAKER:** Members, that concludes question time.

**Mrs M.H. Roberts:** We have a major fire, and you don't even talk to them!

**The SPEAKER:** Member for Midland, I formally call you to order for the first time today.
