

ROADS — CURTIN AVENUE REALIGNMENT

3066. Ms S.F. McGurk to the Minister for Transport:

- (1) Has there been planning for the realignment of Curtin Ave, and if so, can that planning be tabled?
- (2) What is the timeframe and total budget for this project?

**Mr D.C. Nalder replied:**

- (1) Yes

[See paper tabled no 2417.]

- (2) The only funded section of the future Curtin Avenue is the section from Leighton Beach Boulevard (just north of Walter Place) to Marine Parade. The forward estimates provide funding in the following future years; \$5 million in 2016–17, \$20 million in 2017–18 and \$15 million in 2018–19.
