

DIVISION 61: CHILD PROTECTION —

[Supplementary Information No A13.]

Question: Mr A.P. O'Gorman Can the minister define the areas of Joondalup and Cannington to which he is referring?

Mr Murphy: That is not entirely easy as the department's districts do not match the electorate boundaries. ... I am sure that the minister will be more than happy to provide a list of suburbs for our metropolitan districts, if that would assist the member for Joondalup.

Answer: A list was provided to the committee.
